

Free Software Workshop

A free workshop to introduce the benefits of e-learning and software solutions to your business

Session 2 14.00 - 16.00

Development through e-learning

It can often be difficult to provide training for employees who work flexible hours or have a high workload. ACT have been working hard over the past 7 years to address the increasing need for flexible training and are now offering a range of e-learning training solutions that have become increasingly popular and very successful. The following packages will be demonstrated during the session:

- **NEBOSH**
 - National General Certificate
 - Certificate in Construction
 - National Diploma
- **IOSH**
 - Managing Safely
 - Working Safely
- **Interactive Training**
 - Health and Safety Induction
 - Workstation Safety (DSE) and Office Induction
 - Ensuring your Fire Safety
 - Looking after your Manual Handling
- **BS OHSAS 18001 Internal Auditor**
 - Provides an effective way to gain competence in carrying out internal audits against the 18001 standard.
